Customer Reviews

Great! So far, I have found all my cards listed, with relative ease. The print is small but not really a problem. Hours looking and hundreds of cards valued, some surprises. If you're like me and haven't checked the values of your football cards in years and don't mind dishing out the $30, check it out

This was a gift for my grandson. He liked it a lot.

get one every year. Thank you
