# Skewered: An Extreme Erotic Horror Story

## Synopsis

Jasmine Taylor, a struggling young actress, responds to a job-ad offering the 'opportunity of a lifetime' for a female with 'hidden depths'. After a bizarre audition, she wakes to find herself a prisoner in a picturesque village. The village of Elldean seems timeless - peaceful and idyllic. However, the village hides a dark, terrifying secret - an ancient beast lives in the surrounding forest and, once a year, it emerges from its lair - to mate. The beast is huge and all in proportion - few women are capable of taking it on and surviving - most are literally skewered to death. But if the beast doesn't get to mate then all hell will break loose. For both her sake and that of the village, Jasmine is subjected to an extreme "training" regime that will literally stretch the young woman to her limits, while, at the same time, release her secret, hidden desires. Can she survive the beast and save the village from its wrath? This extreme erotic horror short story is for adult readers only.

## Customer Reviews

This was crazy! I really liked it, and there was a nice twist at the end. At some points, it made me laugh. It was just really outrageous, and exactly what I was looking for!

Great extreme horror/sex story. It was also funny and had a good twist at the end.. Slay Belles is my favorite and this is my 2nd favorite of Anton's books. I can't wait for all of his books yet to come.
