# Hir: A Play

## Synopsis

Discharged from the Marines under suspicious circumstances, Isaac comes home from the wars, only to find the life he remembers upended. Isaac's father, who once ruled the family with an iron fist, has had a debilitating stroke; his younger sister, Maxine, is now his brother, Max; and their mother, Paige, is committed to revolution at any cost. Determined to be free of any responsibility toward her formerly abusive husband or the home he created Paige fervently believes she can lead the way to a "new world order." Hir, Taylor Mac's subversive comedy, leaves many of our so-called normative and progressive ideas about gender, families, the middle class and cleaning in hilarious and ultimately tragic disarray.
