KINDLE BUYERS BEWARE!! This is a great book, nothing wrong with it. HOWEVER, again is counting on its clients to just give up when receiving a low quality service. This Kindle version is marked as having "pages" but it doesn't, and for a textbook, pages are a must!! This is the second time I have been deceived by on this issue. If the Kindle version only has "location" please , do NOT put on the information that it has pages!!! You made me lose some precious time! I will NEVER

purchase a textbook from ...you fool me once...you fool me twice....NO MORE!
