La Hojarasca (Spanish Edition)

Synopsis

«Imagino la expresi3n de las mujeres en las ventanas, viendo pasar a mi padre, vi3ndome pasar con el ni3o detr3s de una caja mortuoria en cuyo interior se va pudriendo la 3nica persona a quien el pueblo hab3a querido ver as3-, conducido al cementerio en medio de un implacable abandono, seguida por las tres personas que decidieron hacer la obra de misericordia que ha de ser el principio de su propia verg3enza.» El primer libro de Gabriel Garc3a M3rquez â"de 1955â" contiene el germen estil3stico y de las ideas que nutrir3an su vasta producci3n. La hojarasca es el recuento infausto de una callada venganza colectiva que tiene lugar en Macondo, en la 3poca cuando el pueblo recibe al torrente desordenado que sigue a la explotaci3n del banano, y su estela desastrosa tras la sangrienta rebeli3n de los trabajadores. Prefiguraci3n impregnada de un aura sobrenatural y a la vez incuestionablemente realista, este relato a tres voces es la piedra fundamental del reino espl3ndido del colombiano universal.
