Customer Reviews

As a pet lover, the book helps me a lot on how to nurse a pet rabbit. It has everything that you would know and havenâ ™t know about rabbits. The tips and information are very useful. It is really a complete handbook for a taking good care of a rabbit.

too short, not a lot of detail.

I really loved how this book touched on many topics of rabbit care. It was short but thorough enough to help a first time rabbit owner like myself.

Short but informative- my daughter just adopted a rabbit & was looking for owner information. I did think this was a good read, but way too short- I wish it had more info on rabbit ownership.
