Customer Reviews

It's really neat, to be able to look up a symbol on the spur of the moment- the convenience of the search functions on this can't be overstated. Great, fast reference for those times that you run across something...unusual? Uncanny? Well, if you're looking at this e-book, you already know what I'm talking about. ;) Very handy, and a nifty companion for auguring. Nicely done, Clare McNaul! :)

In my creative pursuits this book is helpful and fun to use. Writing and art making can get a connection boost or deeper meaning by looking up any given symbol. I really enjoy this book and it is easy to navigate.

SO FAR, I HAVE BEEN ABLE TO FIND ANYTHING I HAVE LOOKED FOR. FREQUENT ABILITY TO RETURN TO AN INDEX IS AN EXCELLENT FEATURE.

I love the meanings and find them right on. I like that at the index you can return to the table of contents.

This book is great for Dreams and many other things.

A fun read with interesting content.
