We got this for my son for Christmas. He was begging for a desk calendar like his brother. The jokes are simple enough for my older kids to understand (9-11 yr olds). It's fun to hear the joke of the day when he comes upstairs for breakfast. So far they have been clean / family friendly jokes. I really appreciate that.

This calendar is always the same--CORNYY!! However, every year we buy this for both of our 80+ parents, as they enjoy the jokes and look forward to the gift every year!

Horrible day calendar.. Ok, puns and bad jokes are one thing. This calendar was over the top. Most of them weren't funny at all. I replaced this calendar with a facts calendar which I enjoy a lot more.

I would like to meet who came up with these jokes. Most of them don't even have a punch line or

make any sense.Example:Knock Knockwho's there?Peterpeter who?The last girl i told this joke to peter pantsThat's not a joke. Where is the punch line? even better where is the joke?another example:why did the woman leave her purse open when she went out?she expected some change in the weather.WHAT!?!?!one more:why is it hard to hold a conversation with a goat?the goat always butts in.can someone please explain this to me?????

I received this as a gift and was excited, as I'm an avid lover of corny jokes. However, these jokes are so bad that they're not even remotely funny. This is a matter of opinion, so here's an example of one of the jokes -Son: When I grow up, I want to be a minister.Mom: Why's that?Son: Because I'll have to go to church anyway, and it's a lot harder to sit still and listen than it is to stand up and yell.Wouldn't recommend buying - there are a lot better joke calendars out there.

These are pretty terrible jokes. I've gone through 25 jokes (days) so far and have only found 1 of them remotely humerus. Most of them don't even make sense, and those that do are just dumb. I am guessing these are the reject jokes that didn't make it onto Popsicle sticks.Just to give you an idea of how bad they are...One joke read:"Why did the hippo wear bright-yellow sneakers?Because her bright-pink ones were too small"However if you are a kindergarten school teacher, these might be for you and your class.

we bought this for a friend's son. He is always talking about knock knock jokes. So I purchased this for him for Christmas. He enjoyed it so much.

love this calendar silly, dumb & funny jokes have a good laugh each morning with fellow coworkers. Good start to the day!
